

LOUISIANA ORTHOPAEDIC ASSOCIATION

2019  
Annual Meeting

February 15-16, 2019  
Hilton New Orleans Riverside

## Welcome

The Board Members and I invite you to the Louisiana Orthopaedic Association Annual Meeting, February 15-16, 2019, at the Hilton Riverside in New Orleans.

Dr. Paul Celestre, this year's Program Director, has designed an outstanding agenda. We have three dynamic speakers from the worlds of joint replacement, spine and trauma. We also have timely lectures and symposia dealing with such topics as pain control in the face of the opioid crisis, concussion evaluation and management, and overseeing implant costs in the era of value-based care.

Dr. Thomas Sculco, who grew up in beautiful Westerly, Rhode Island, was Surgeon-in-Chief at Hospital for Special Surgery from 2003 to 2014 and is currently Surgeon-in Chief Emeritus. He is also Professor of Orthopaedic Surgery at Weill Cornell Medical College. He was a founding Member of the Knee Society and served as President in 2016. He will speak on the costs of new technology in medicine, and on the morbidity associated with bilateral knee replacements.

Dr. John Dimar, an Air Force Veteran, is a Clinical Professor of Orthopaedic Surgery at the University of Louisville, Chief of Pediatric Orthopaedics at Norton Children's Hospital, and Staff Surgeon at the Norton Leatherman Spine Center. Dr. Dimar will lecture about the spinopelvic relationship and radiation exposure for patients and physicians.

Dr. Joseph Hsu is Professor of Orthopaedic Trauma at Carolina's Medical Center, Director of the Limb Lengthening and Deformity Service, and Vice Chair of Quality at the Atrium Health Musculoskeletal Institute. Dr. Hsu is a graduate of West Point and Tulane and Charity trained. He will speak about his research involving pain control and the opioid epidemic.

LAMMICO will continue to provide members who attend the LAMMICO sessions on Friday and Saturday a 15% discount on their medical malpractice premiums.

The President's Reception will be held Friday Evening, February 15, in the Exhibitors' Hall. The winner of the hotly contested Top Resident Paper will be announced at that time. There will be an e-poster session and we will continue with the prize giveaways to meeting attendees.

We are very much looking forward to seeing you in New Orleans for the 2019 LOA Annual Meeting.

Sincerely,

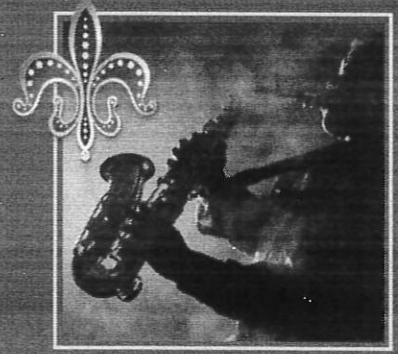

George F. Chimento, MD, FACS  
President, LOA

LOUISIANA ORTHOPAEDIC ASSOCIATION

2019  
Annual Meeting

February 15-16, 2019  
Hilton New Orleans Riverside

## General Information

### Meeting Objectives:

1. Discuss how to navigate new technologies and implants in the setting of the current reimbursement landscape.
2. Learn how to minimize radiation exposure to both patient and physician.
3. Identify improved analgesia and decreased narcotics via multimodal pain management in perioperative patients.

### Accreditation and Designation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the Louisiana Orthopaedic Association. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of **13.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### LAMMICO

LAMMICO is presenting two special risk management sessions. LOA members with LAMMICO who attend both sessions will receive an additional premium discount of 10% to be applied to their facility's professional liability premium.

Friday, February 15  
1:00 pm - 2:00 pm

Saturday, February 16  
7:00 am - 8:00 am

## LOUISIANA ORTHOPAEDIC ASSOCIATION

**2019 Annual Meeting**

February 15 - 16, 2019

New Orleans, LA

**FRIDAY, FEBRUARY 15, 2019**

6:30 AM – 5:30 PM	<b>Registration   Check In</b> Location: Foyer
6:45 AM – 8:00 AM	<b>Breakfast with Exhibitors</b> Location: Churchill CD
7:30 AM – 8:00 AM	<b>Welcome and 1st Business Meeting</b> Location: Churchill AB
8:00 AM – 8:30 AM	<b>Keynote Lecture 1 - New Technology: Can We Afford It?</b> Thomas P. Sculco, MD <i>Objectives:</i> <i>Understand how to balance the added costs and values of new technology to current surgical practice.</i>  Location: Churchill AB
8:30 AM – 9:00 AM	<b>Symposium 1 - Joints: Component Selection - Patient, Price, Payor</b> <i>Moderator: Vinod Dasa, MD</i> <i>Panel: Steven Atchison, MD; George F. Chimento, MD, FACS, FAAOS; Michael Louviere, MD; Thomas P. Sculco, MD</i> <i>Objectives:</i> <i>Discuss how to tailor component selection to the individual patient.</i>  Location: Churchill AB
<b>Scientific Papers</b>	
<b>9:00 am - 9:45 am</b>	
9:00 – 9:05 AM	<b>Anterior Cruciate Ligament Repair With and Without Internal Brace Augmentation: A Biomechanical Cadaveric Comparison Study</b> James Robinson, MD; Patrick A. Massey, MD; David Parker, MD; Kaylan McClary, MD; Giovanni Solitro, PhD; Richard Barton, MD Location: Churchill AB
9:05 – 9:10 AM	<b>Meniscus Repair Outcomes With and Without Bone Marrow Aspiration Concentrate</b> Andrew Zhang, MD; Patrick A. Massey, MD; Christine Stairs, MD; Stephen Hoge, MD; Trevor Carroll, MD Location: Churchill AB
9:10 – 9:15 AM	<b>Hip Arthroscopy Improves Patient Satisfaction in All Patients, Regardless of Age</b> Brian Godshaw, MD, Ochsner Sports Medicine Institute; Michael Wong; Arturo Villarreal, MD; Kian Setayesh, MD; Misty Suri, MD Location: Churchill AB
9:15 – 9:20 AM	<b>Q &amp; A</b> Location: Churchill AB
9:20 – 9:25 AM	<b>Outcomes of Revision Carpal Tunnel Release with Umbilical Cord Allograft</b> Michael Nammour, MD; Loy Vaughan, MD; Heather Taillac, MD; Michael Wong; Leslie E. Sisco-Wise, MD, FAAOS Location: Churchill AB
9:25 – 9:30 AM	<b>Access to Orthopedic Care Post Medicaid Expansion Through the Affordable Care Act</b> Linus Igbokwe; Claudia Leonardi, PhD; Christopher Marrero, MD Location: Churchill AB
9:30 – 9:35 AM	<b>Follow-Up Radiographs After Spica Casting for Pediatric Femur Fractures: Are They Necessary?</b> Justin Yan; Bryant Song; Michael J. Heffernan, MD Location: Churchill AB
9:35 – 9:40 AM	<b>Q &amp; A</b> Location: Churchill AB
9:40 AM – 10:15 AM	<b>Break   Visit Exhibitors</b> Location: Churchill CD
10:15 AM – 10:45 AM	<b>Lecture 2 - Concussions in Athletes</b> Andrew Gottschalk, MD <i>Objectives:</i> <i>Understand the diagnosis and management of athletes with concussions.</i>  Location: Churchill AB
10:45 AM – 11:00 AM	<b>Q &amp; A for Keynote Lecture 2</b> Location: Churchill AB
11:00 AM – 11:35 AM	<b>Keynote Lecture 3 - The Development of Human Upright Sagittal Balance</b> John R. Dimar, II, MD

*Objectives:*

*Understand the concept of sagittal balance and the implications for patients with spinal deformities.*

Location: Churchill AB

11:35 AM – 11:50 AM

**Legislative Update and LOPAC**

Clark Gunderson, MD; Judson Penton, MD, FAAOS

Location: Churchill AB

11:50 AM – 12:00 PM

**Lifetime, Legislative and Gunderson Awards**

Location: Churchill AB

12:00 PM – 1:00 PM

**Lunch with Exhibitors**

Location: Churchill CD

12:30 PM – 2:00 PM

**Breakout Session: Resident, Fellow and Young Orthopedist Forum - Panel Discussion**

*Moderator: Michael J. Leddy III, MD, FAAOS*

*Panel: Matthew G. Cable, MD; Paul C. Celestre, MD; Patrick A. Massey, MD*

Location: Cambridge Room

1:00 PM – 2:00 PM

**LAMMICO - Physician Care Communication \*\*\*LOA members insured with LAMMICO who attend this presentation will receive an additional premium discount of 10% to be applied to their facility's professional liability premium.\*\*\***

Kenneth E. Rhea, MD, FASHRM

*Objectives:*

*1. Evaluate current processes and/or systems currently used to receive and provide patient information to other healthcare professionals related to the care provided.*

*2. Clarify the role of the referring and consulted provider in the communication of patient information.*

*3. Explain how inconsistent or inadequate communication of care information affects risk for medical professional liability.*

*4. Discuss and incorporate strategies to improve the accuracy and timeliness of communication provided to other healthcare professionals in referral and consulting situations.*

Location: Churchill AB

1:00 PM – 4:30 PM

**LOA Business Managers Meeting**

Location: Prince of Wales

2:00 PM – 2:30 PM

**Symposium 2 - Proximal and Distal Tibia Fractures: Treatment Options - A Case Based Discussion**

*Moderator: Robert Zura, MD*

*Panel: Craig C. Greene, MD, MBA, FAAOS; Murphy P. Martin, III, MD; James Mautner, MD; Massimo Morandi, MD, FACS; John M. Whatley, MD*

*Objectives:*

*Understand current options for treatment of proximal and distal tibial fractures.*

Location: Churchill AB

2:30 PM – 3:00 PM

**Keynote Lecture 4 - Opioids: Practical Approaches to the Opioid Epidemic**

Joseph R. Hsu, MD, FAOA

*Objectives:*

*Learn how the opioid epidemic affects orthopaedic surgeons and develop strategies to effectively treat patients in the current prescribing environment.*

Location: Churchill AB

3:00 PM – 3:15 PM

**Q & A for Keynote Lecture 4**

Location: Churchill AB

3:15 PM – 3:45 PM

**Coffee Break | Visit Exhibits**

Location: Churchill CD

3:45 PM – 4:30 PM

**Symposium 3 - Current Perspectives on Acute Pain Management Panel and Discussion**

*Moderator: Leslie Thomas, MD*

*Panel: Larry Chip Bankston, MD, FAAOS; Patrick Ellender, MD; Joseph R. Hsu, MD, FAOA  
Jillian Vitter, MD*

*Objectives:*

*Understand and implement multimodal analgesia.*

Location: Churchill AB

**Top Resident Paper Presentations**

**4:30 pm - 5:10 pm**

4:30 – 4:40 PM

**Synovial Fluid Leukocyte Cell Count Before Versus After Administration of Antibiotics in Patients with Septic Arthritis of Native Joint**

Benjamin Feibel, MD, Louisiana State University - Shreveport

Location: Churchill AB

4:40 – 4:50 PM

**Rotational Pedicle Myocutaneous Forearm Fillet Flap Used to Fill Forequarter Amputation Defect: Indications and Uses**

Sagar Shah, MD, Ochsner Lafayette General Orthopedic Clinic

Location: Churchill AB

4:50 – 5:00 PM

**Early Hip Fracture Surgery is Safe for Patients on Direct Oral Anticoagulants**

Brian Godshaw, MD, Ochsner Sports Medicine Institute

Location: Churchill AB

5:00 – 5:10 PM	<b>Outcomes After Use of PROSTALAC (Prosthesis of Antibiotic-Loaded Acrylic Cement) for the Treatment of Infection in Shoulder Arthroplasty</b> John T. Heffernan, MD, Tulane University Location: Churchill AB
5:10 PM – 5:30 PM	<b>Announcements</b> Location: Churchill AB
5:30 PM – 7:00 PM	<b>Reception with Exhibitors</b> Location: Churchill CD

**SATURDAY, FEBRUARY 16, 2019**

6:30 AM – 12:00 PM	<b>Registration   Check In</b> Location: Foyer
6:45 AM – 8:00 AM	<b>Breakfast with Exhibitors</b> Location: Churchill CD
7:00 AM – 8:00 AM	<b>LAMMICO - Physician-Patient Relationship ***LOA members insured with LAMMICO who attend this presentation will receive an additional premium discount of 10% to be applied to their facility's professional liability premium.***</b> Kenneth E. Rhea, MD, FASHRM <i>Objectives:</i> 1. In specific situations, determine whether a physician-patient relationship exists. 2. Discuss strategies to employ when considering dismissing a patient from the practice. 3. Develop a policy for use to manage the process of dismissing a patient from the practice.  Location: Churchill AB
8:00 AM – 8:45 AM	<b>Symposium 4 - Spine: Management of Lumbar Spondylolisthesis</b> <i>Moderator: Paul C. Celestre, MD</i> <i>Panel: John A. Davis, Jr., MD; John R. Dimar, II, MD; K. Samer Shamieh, MD</i> <i>Objectives:</i> Discuss current concepts for treatment of lumbar spondylolisthesis.  Location: Churchill AB
8:45 AM – 9:15 AM	<b>Keynote Lecture 5: Patient and Physician Radiation Exposure</b> John R. Dimar, II, MD <i>Objectives:</i> Discuss the implications of radiation exposures and develop strategies to minimize risk to patients and providers.  Location: Churchill AB
9:15 AM – 9:45 AM	<b>Keynote Lecture 6 - Perioperative Morbidity in Bilateral Total Knee Replacement</b> Thomas P. Sculco, MD <i>Objectives:</i> Understand and minimize perioperative complications in patients undergoing bilateral total knee arthroplasty.  Location: Churchill AB
9:45 AM – 10:00 AM	<b>Q &amp; A Keynote Lectures 5 and 6</b> Location: Churchill AB
10:00 AM – 10:30 AM	<b>Break   Visit Exhibitors</b> Location: Churchill CD
<b>Scientific Papers</b>	
<b>10:30 am - 11:00 am</b>	
10:30 – 10:35 AM	<b>Race-Dependent Synovial Fibrosis May Impact Outcomes in Patients Undergoing Total Knee Arthroplasty</b> Sydney Hodgeson; Kathryn Jordan; Sarah O'Brien; Claudia Leonardi, PhD; Vinod Dasa, MD; Luis Marrero Location: Churchill AB
10:35 – 10:40 AM	<b>Insulin-Dependent Diabetic Patients Are at Increased Risk of Post-Operative Hyperglycemia in Patients Undergoing Total Joint Arthroplasty</b> Brian Godshaw, MD, Ochsner Sports Medicine Institute; Michael Warren, MD; George F. Chimento, MD, FACS, FAAOS; Alaa Mohammed; Bradford S. Waddell, MD Location: Churchill AB
10:40 – 10:45 AM	<b>Demographics and Comorbidities as Predictors of Outcomes in Total Knee Arthroplasty</b> Adam Haydel, MD; Seth Guilbeau; Ryan C. Roubion, MD; Claudia Leonardi, PhD; Vinod Dasa, MD; Amy Bronstone Location: Churchill AB
10:45 – 10:50 AM	<b>Analysis of the Safety and Effectiveness of Combination Cell Therapy for the Treatment of Pain and Inflammation Associated with Osteoarthritis of the Knee and Hip</b> Kevin F. Darr, MD; Megan Dufresne Location: Churchill AB
10:50 – 11:00 AM	<b>Q &amp; A</b> Location: Churchill AB
11:00 AM – 11:45 AM	<b>Poster Presentations</b> <i>Moderators: Matthew G. Cable, MD; Paul C. Celestre, MD; Michael J. Heffernan, MD; Robert D. LeBlanc, MD, FAAOS; James</i>

*Mautner, MD*

Location: Monitor 1-Churchill A1; Monitor 2,3-Churchill AB; Monitor 4,5-Foyer

**Debates**

**11:45 am - 1:00 pm**

*Moderator: Paul C. Celestre, MD*

- 11:45 – 12:05 PM            **Autologous Chondrocyte Transplantation (Jones) vs. Osteochondral Allograft Transplantation (Choate) for Large Articular Cartilage Defects**  
W. Stephen Choate, MD, FAAOS ; Deryk Jones, MD, FAAOS  
Location: Churchill AB
- 12:05 – 12:10 PM            **Q & A**  
Location: Churchill AB
- 12:10 – 12:30 PM            **PRC (Leblanc) vs. 4 Corner Fusion (Sessions)**  
Robert D. LeBlanc, MD, FAAOS; Blane Sessions, MD, FAAOS  
Location: Churchill AB
- 12:30 – 12:35 PM            **Q & A**  
Location: Churchill AB
- 12:35 – 12:55 PM            **Explore (Faust) vs Monitor (M.Heffernan) for Pink Pulseless Supracondylar Humerus Fracture**  
John Faust, MD; Michael J. Heffernan, MD  
Location: Churchill AB
- 12:55 – 1:00 PM            **Q & A**  
Location: Churchill AB
- 1:00 PM – 1:15 PM            **2nd Business Meeting and Adjourn**  
Location: Churchill AB
