

Welcome

On behalf of the LOA Board of Directors, you are cordially invited to attend our 2020 Louisiana Orthopaedic Association Annual Meeting slated for March 6–7, 2020 in New Orleans. We strongly encourage you to take advantage of our block of hotel rooms, especially discounted for you and your guests, at the Hilton New Orleans Riverside Hotel.

Dr. Patrick Massey, our 2020 Annual Meeting Program Director, has designed an outstanding agenda. Our three keynote speakers include:

Dr. Javad Parvizi from the Rothman Institute in Philadelphia, Pennsylvania; James Edwards Professor of Orthopaedic Surgery

Dr. Scott Porter, MBA, FACS, FAOA from the Transformative Health Institute in Greenville, South Carolina; Professor, Department of Orthopaedic Surgery

Dr. Thomas Gill from the Boston Sports Medicine and Research Institute in Dedham, Massachusetts; Professor, Tufts University School of Medicine; Chairman of Orthopaedic Surgery, Steward Health Network

LOA members who attend the LAMMICO risk management lectures on Friday and Saturday will receive a discount on their professional liability insurance premiums.

We also invite you to attend the President's Reception on Friday March 6. The Reception will be held in the Exhibit Hall. The winner of the hotly contested Top Resident Paper will be announced at that time. We will again have the exhibitor game card to give meeting attendees a chance to win a prize.

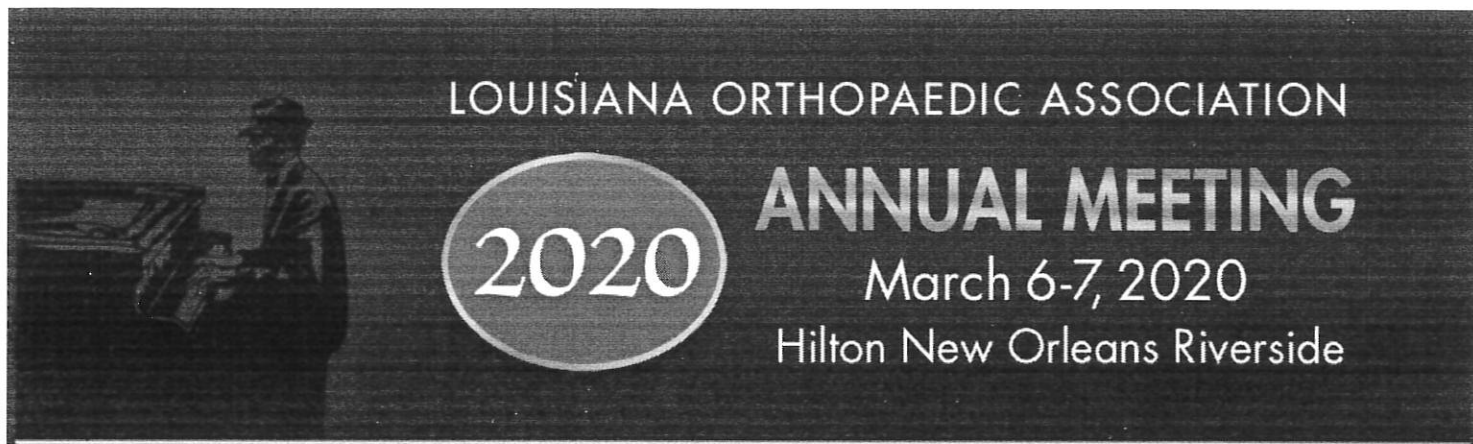

On Friday, March 6, we will host an Orthopaedic Business Managers meeting. We have a great lineup of speakers to update your practice managers / administrators on legal and legislative matters impacting orthopaedic surgeons. On Saturday March 7, there will be an e-poster session from 11:00 - 11:45 am.

We look forward to seeing you in New Orleans for the 2020 LOA Annual Meeting.

The LOA Annual Meeting is a great place to earn valuable continuing medical education, learn from your colleagues and our keynote speakers, network and mingle with your orthopaedic colleagues and visit our trade show to gather information on the latest products and services for orthopaedic practices.

Sincerely,

Shane Barton, MD
President
Louisiana Orthopaedic Association

General Information

Meeting Objectives:

1. To understand the current trends in management of complex shoulder trauma and the indication and appropriate use of internal fixation and shoulder arthroplasty.
2. To understand the controversies in peri-prosthetic joint infections and summarize current guidelines for diagnosis and management.
3. To understand the presentation of bone tumors and learn key factors for diagnosis and management.
4. To discuss and be exposed to the current models and trends of business management in orthopedic practice and discuss diversity and inclusion.

LAMMICO

LAMMICO is presenting two special risk management sessions. LOA members with LAMMICO who attend both sessions will receive an additional premium discount to be applied to their facility's professional liability premium.
